

Under no circumstances should pupils or staff attend school if they:

- feel unwell, have any of the three identified COVID-19 symptoms (a new continuous cough, a high temperature or loss of taste or smell) or they have tested positive to COVID-19 in the past 14 days
- live in a household with someone who has symptoms of COVID-19 or has tested positive to COVID-19 in the past 14 days.

Any pupil who shows symptoms compatible with COVID-19 while in school will be immediately isolated and their parent/carer will be called to collect them as quickly as possible. The student and their household should isolate at home as per Welsh Government guidance and apply for a COVID 19 test. The child will not be able to return to school until the isolation period is over or on production of a negative COVID test result.
