I am looking forward to working with you to provide careers information, advice and guidance to support your career ideas. I am available in school Monday, Tuesday and Wednesday and I am based in room U1A (Science block). Please 'drop' in to see me with any careers queries or you can contact me via email, text or telephone.

I will deliver a range of careers based lessons and assemblies in KS3 and KS4 and will work closely with our Business Engagement Officer to arrange Employer based assemblies.

There will be a 'Careers Clinic' held on a Wednesday lunchtime in room T8 for you to access support with CV writing, completing application forms and to support any ongoing careers concerns.

I'll look forward to working with you!

**Kirsty (Careers Adviser)**
